Sharon Dawson
City Clerk
City of Santa Clarita

Dear Ms Dawson;

Please accept this letter of explanation regarding my campaign fund; "Bob Kellar for City Council".

On May 11, 2007, Spirit Inc. held a fund raiser for my re-election campaign at their corporate office. Recently it was discovered Spirit Inc. paid an amount of money for the fund raiser that exceeds state law. The cost of the fund raiser was \$1603.65; the maximum amount allowable is \$500.00. After a discussion of this matter with the Office Manager of Spirit, it was decided that it would be best for the cost of the fund raiser to come totally out of my campaign account. Subsequently, the \$1603.65 was paid to Spirit.

Should there be questions regarding this letter please do not hesitate to contact me at

Sincerely,

Bob Kellar
